

Dear Potential 2024 Sponsor,

Our third year of the Western Dairy Showcase was a huge success last year, due to our generous donors. Over 300 cattle entries and 110 youth exhibitors made our second year remarkable. We awarded \$13,000 in scholarships to thirteen exhibitors, and we are looking to continue that annually, as well as increase the number of recipients. The fourth annual Western Dairy Showcase will be held on October 10- 13th, 2024 at the Stanislaus County Fairgrounds in Turlock, California.

The mission that drives our non-profit organization is providing opportunities for dairy junior enthusiasts to highlight their cattle, develop their personal skills, build positive experiences in the dairy industry and provide scholarships to dairy students. Last year's event was well respected and received positive feedback. The goal is to build community around the dairy cattle show and fellowship amongst breeders and families. The Western Dairy Showcase is open to all junior exhibitors as defined by each of the breed organizations, and includes registered Holstein, registered AOB and grade dairy cattle.

This event would not be possible without the generous support of many businesses, individuals, and families. To continue the success of this event we are seeking donations to help offset the costs of running the event, fairgrounds rental, a judge, awards, and an exhibitor BBQ to be held on Thursday evening. This show is ran by a group of volunteers who are donating their time and talents to implement a professional event for our dairy youth. Sponsors will be recognized throughout the event, on banners, announced ringside and through social media. To join our list of sponsors, please fill out the attached form and return by September 15th. Any help is greatly appreciated and will be given back **100% in** the form of operating expense along with awards and scholarships.

Please feel free to contact any of our committee members with questions at dairyshowcase@gmail.com

Sincerely,

WDS (EIN 86-3113549)

Western Dairy Showcase Committee, working on behalf of all youth dairy exhibitors!
